International Sunrise strives to offer its visitors the many advantages of Internet technology and to provide an interactive and personalized experience. We may use Personally Identifiable Information (your name, e-mail address, street address, telephone number) subject to the terms of this privacy policy. We will never sell, barter, or rent your email address to any unauthorized third party. Period.

How we gather information from users

How we collect and store information depends on the page you are visiting, the activities in which you elect to participate and the services provided. For example, you may be asked to provide information when you register for access to certain portions of our site or request certain features, such as newsletters or when you make a purchase. Like most Web sites, International Sunrise also collects information automatically and through the use of electronic tools that may be transparent to our visitors. For example, we may log the name of your Internet Service Provider or use cookie technology to recognize you and hold information from your visit. Among other things, the cookie may store your user name and password, sparing you from having to re-enter that information each time you visit. As we adopt additional technology, we may also gather information through other means. In certain cases, you can choose not to provide us with information, for example by setting your browser to refuse to accept cookies, but if you do you may be unable to access certain portions of the site or may be asked to re-enter your user name and password, and we may not be able to customize the site's features according to your preferences.

What we do with the information we collect

Like other Web publishers, we collect information to enhance your visit and deliver more individualized content. We respect your privacy and do not share your information with anyone. Aggregated Information (information that does not personally identify you) may be used in many ways. For example, we may combine information about your usage patterns with similar information obtained from other users to help enhance our site and services (e.g., to learn which pages are visited most or what features are most attractive). Again, this information does not include any Personally Identifiable Information about you or allow anyone to identify you individually.

We may use Personally Identifiable Information collected on International Sunrise to communicate with you about your inquiry and preferences; our Terms of Service and privacy policy; services and products offered by International Sunrise.com and other topics we think you might find of interest.

Personally Identifiable Information collected by International Sunrise may also be used for other purposes, including but not limited to site administration, troubleshooting, processing of e-commerce transactions and other communications with you. Certain third parties who provide technical support for the operation of our site (our Web hosting service for example) may access such information. We will use your information only as permitted by law.

Affiliated sites, linked sites and advertisements

International Sunrise expects its partners and affiliates to respect the privacy of our users. Be aware, however, that third parties, including our partners, affiliates and other content providers accessible through our site, may have their own privacy and data collection policies and practices. For example, during your visit to our site you may link to, or view as part of a frame on a International Sunrise.com page, certain content that is actually created or hosted by a third party. Also, through International Sunrise you may be introduced to, or be able to access, information, Web sites or features offered by

other parties. International Sunrise is not responsible for the actions or policies of such third parties. You should check the applicable privacy policies of those third parties when providing information on a feature or page operated by a third party.

While on our site, our promotional partners or other third parties may use cookies or other technology to attempt to identify some of your preferences or retrieve information about you. Other features available on our site may offer services operated by third parties and may use cookies or other technology to gather information. International Sunrise does not control the use of this technology by third parties or the resulting information, and is not responsible for any actions or policies of such third parties.

You should also be aware that if you voluntarily disclose Personally Identifiable Information on message boards, communication services or in chat areas, that information can be viewed publicly and can be collected and used by third parties without our knowledge and may result in unsolicited messages from other individuals or third parties. Such activities are beyond the control of International Sunrise and this policy.

Children

International Sunrise does not knowingly collect or solicit Personally Identifiable Information from or about children under 13 except as permitted by law. If we discover we have received any information from a child under 13 in violation of this policy, we will delete that information immediately. If you believe International Sunrise has any information from or about anyone under 13, please contact us at the address listed below.

Changes to this Policy

International Sunrise reserves the right to change this policy at any time. Please check this page periodically for changes. Your continued use of our site following the posting of changes to these terms will mean you accept those changes. Information collected prior to the time any change is posted will be used according to the rules and laws that applied at the time the information was collected.
